

**EVALUATIONS AND REGISTRATION DIVISION**

**REQUEST FOR A STATUS UPDATE**

This form is intended for use by applicants or local representatives of applicants when requesting for status updates for applications for registration and amendments. The table below should be completed for each application for which a Status Update is being requested. Where one response/additional information was submitted for a product with multiple strengths, one form can be completed for all the strengths.

<b>Application number/ Variation application number</b>	
<b>Generic Name of product</b>	
<b>Trade name of product</b>	
<b>Last MCAZ decision communicated to applicant &amp; date</b>	
<b>Letter reference number for last communication from MCAZ</b>	
<b>Date application/response submitted to MCAZ</b>	
<b>Any issues related to restricted part of the DMF (i.e. was it requested? Has this been forwarded to MCAZ?), If so, state the date for this</b>	
<b>Any other information which you wish to bring to MCAZ's attention which may be useful for this status update</b>	
<b>MCAZ RESPONSE:</b>	

*For new applications, status update requests should only be made if;*

- 1. No acknowledgment of receipt has been received after two (2) months of submission*
- 2. No letter of queries has been received after six (6) months of submission of the application.*

*For additional information/responses, status update requests should be made if no communication has been made to applicant after three (3) months of submission of the additional information/response.*
