REF: B/279/35/18/2023

CIRCULAR 18 of 2023

Date: 01/09/2023

To: APPLICANTS, MANUFACTURERS AND PRINCIPALS FOR
COMPLEMENTARY MEDICINES

**RE: FEES FOR LABORATORY ANALYSIS OF COMPLEMENTARY
MEDICINES**

This circular serves to inform applicants, manufacturers and principals that fees for laboratory analysis of complementary medicines will be levied in addition to application fees. These fees are separate from application fees and will be levied separately.

Due to the variability of formulations and nature of tests conducted on complementary medicines, there are no fixed fees for the above products. The Authority will notify applicants of the tests required for each specific formulation or product after the submission of an application for approval of the complementary medicine.

The Guideline on Submission of Documentation for Registration of Complementary Medicines accessible from the MCAZ website, www.mcaz.co.zw has been revised to incorporate this requirement.

Yours faithfully,

MEDICINES CONTROL AUTHORITY OF ZIMBABWE

.....
R. T. Rukwata (Mr.)
DIRECTOR-GENERAL
