CIRCULAR 8 of 2024

Date: 19 March 2024

To: APPROVED WHOLESALERS, PHARMACEUTICAL WHOLESALERS ASSOCIATION (PWA), COMMUNITY PHARMACISTS ASSOCIATION (CPA), AND PRIVATE HOSPITALS ASSOCIATION OF ZIMBABWE.

RE: UPGRADE ON THE MCAZ IMPORTS/EXPORTS MODULE.

Subsequent to the introduction of Circulars 24 and 25 of 2023, this circular serves to inform all stakeholders involved that the process for the **bulk importation of unregistered medicines** has been seamlessly integrated into the Authority's online services platform. The applications were being processed manually since the introduction of the circulars in December 2023.

Scan the QR code below to get a link to the MCAZ portal. Furthermore, to ensure a smooth application process, a detailed step-by-step manual has been provided to assist stakeholders on navigating through the system.

Yours faithfully

MEDICINES CONTROL AUTHORITY OF ZIMBABWE

**R. T. RUKWATA (MR.)
DIRECTOR-GENERAL**
